IN THE KNOW

- ⇒ **Annual spring street sweeping is scheduled for may 6th & May 7th.** It is your responsibility to be aware of posted signs and have your vehicle(s) removed during street sweeping to avoid a ticket. If you plan to rent a dumpster, please be sure it is not during scheduled street sweeping.
- ⇒ Be sure to check our webpage! Look under municipal information (left side) for helpful information.
- ⇒ The borough is in the process of replacing water meters. If your water meter is to get replaced, a notice will be placed on your door. Example below.

2024 Water Quality Report

- ◆ The 2024 Annual Water Quality Report is available for review after 4/15 on our Borough website News Flash section at www.adamstownborough.org
- ◆ Please continue to conserve water in accordance with the Borough's drought contingency plan due to a lack of rainfall.

◆ PFOS & PFOA News

We are pleased to report that recent testing of our water system shows levels of per- and polyfluoroalkyl substances (PFAS), including perfluorooctane sulfonate (PFOS) and perfluorooctanoic acid (PFOA), are **below both federal and state regulatory limits**. These results reflect our ongoing commitment to ensuring safe, high-quality drinking water for our community. We will continue to monitor and address any potential concerns to maintain compliance with all health and safety standards.

ADAMSTOWN AREA LIBRARY

HAPPENING & EVENTS

The library is **free** for PA residents. Bring ID or other proof of address to Adamstown Area Library to get your library card. Learn more and see all the library's free events for children, teens, adults, seniors and families at: AdamstownAreaLibrary.org

Summer Reading Program

Kids of all ages can win great prizes & attend amazing events during the library's free Summer Reading Program! The library offers free activities for families every week throughout the summer, starting on June 7. Pick up your summer reading logs & event schedules at the Opening Day Party on Saturday, June 7 or at the library starting that day!

PROTECT OUR WATERSHED

Did you know that drinking bottled water creates waste and displaces water from its own watershed? We are lucky to live where our tap water is not only safe to drink but tastes great. Our Public Works Department works diligently every day to provide us with high quality drinking water!
