Dear Mr. Good,

At the request of Adamstown Borough Council, we are withdrawing our request to build a training range in Adamstown Borough.

Our goal has always been the safety of - and service to - all of our customers. In this case, residents have expressed that they do not feel safer, nor well-served with our proposed training site.

We would like to take this opportunity to thank the members of council for giving us their time and learning about our training procedures and goals as they considered this project.

As always, we look forward to working with council in addressing their public safety needs.

Sincerely,

Thomas Shumaker  
Lieutenant, Support Services
