Rental Property Owners – Please see that your tenants receive a copy of the quarterly newsletter. Extras are available at the borough office or in the information rack in the foyer. Newsletters can also be viewed on the borough website.

Community Days

Our annual 3-day event will be held May 27, 28 & 29 at the community grove. There will be carnival rides, food, games and a dinner served by a community group at the pavilion each day. Parking, admission and entertainment are free.

Entertainment this year includes Jeff Krick with his ultimate Elvis tribute show on Friday, Mahoney Brothers on Saturday, and Flamin' Dick & the Hot Rods on Sunday. Up-front reserved seats are again available for \$10.

The weekend concludes at 10PM Sunday with the best fireworks show in the area!

Are you able to volunteer a few hours at Community Days? Call Joe Dietrich at 484-256-0851. For more information, visit www.adamstowncommunitydays.com.

Duck Race

Buy a duck at the Adamstown Post Office in April and help support Community Days. The cost of each duck is \$5.00, and winning ticket-holders will win cash prizes!

Street Sweeping

Annual street sweeping will take place on May 3 & 4, with the rain date being May 5. It is your responsibility to be aware of posted signs and have your vehicle(s) removed during street sweeping to avoid fines.

Spring Property Cleanup

To help dispose of leaf refuse left over from last fall, the borough is offering two spring leaf collection dates. Reams Disposal will be doing a leaf collection on 4/29 and 5/20. All bags must be at curbside by 7:00AM the morning of pickup. Bags may contain only leaves. Leaf bags are available for purchase at the borough office for 25¢ per bag.

Adamstown Area Library

The AAL will be purchasing and relocating to the former VFW building on W. Main Street. Settlement is scheduled for April 29. Everyone in the library's service area is invited to an Open House on that date from 3PM to 7PM to view the 'before' version of the building and the plans for the new version.

Protect our Watershed

What is a watershed? A watershed is the area of land that drains to a specific body of water, whether a stream, pond, lake, river or ocean. A watershed area can be as large as the many states or as small as your backyard. Everyone lives in a watershed. Learn more about our watershed and how you can help protect it at <http://www.lancasterwatersheds.org/>.
