### 2017 Adamstown Community Days

The Adamstown Community Days committee sends a big 'Thank you' to everyone who supported our community celebration over Memorial Day weekend. Thanks to the businesses who contributed, volunteers who kept things running smoothly and everyone who came out to enjoy the event! An informational meeting on ACD will be held at 7PM on July 19 at the ACD cabin in the Grove. Please come out to hear what you can do to help ACD continue and be even better than ever. Everyone in the community is invited. Since ACD is not a money-making event, bingo is held monthly at the Comfort Inn near the turnpike entrance. You are invited to attend to participate with the chance to win cash prizes or to volunteer your help. Dates for 2017 are 9/3, 11/12 & 12/10. For more information, log onto [Adamstowncommunitydays.com](http://Adamstowncommunitydays.com).

### 2016 Water Quality Report

The 2016 Annual Water Quality Report is available for review in our Borough website News Flash section at [www.adamstownborough.org](http://www.adamstownborough.org) as well as on the message board in the Borough office/Library lobby.

### Library Golf Outing

The Adamstown Area Library Golf Outing will be held Saturday, August 26 at the Manor Golf Club starting at 1:30PM. Registration of \$80 includes Green Fees, cart, complimentary snacks, dinner and a free future golf round at the Manor Golf Club. Registration forms are available on the library's website at [ww.adamstownarealibrary.com](http://ww.adamstownarealibrary.com) or at the library.

### Sidewalk Repairs

Notices have been sent to residents on Main Street indicating repairs to be made to their sidewalk and/or curbing. Notices to side streets will be sent shortly. Please avoid walking on newly poured sidewalks/curb until concrete is completely cured and barrier tape is removed to avoid damage.

### Property Maintenance Code

The Borough currently enforces the 1993 version of the Property Maintenance Code and is in the process of adopting the 2015 version. The code is enforced to protect public health, safety and welfare. A copy of the 2015 version is available in the Borough office for viewing.

### Protect our Watershed

Here are several **EASY** ways you can help protect our watershed:

- Plant a rain garden
- Limit the use of fertilizer
- Avoid pesticides
- Pick up pet waste
- Use commercial car washes
- Avoid paving pervious areas
