Community News

Welcome Our New 2026 Pool Operations Manager!!!

Adamstown Community Pool is please to introduce Jessica Kelly as Pool Operations Manager for the 2026 season! A longtime member of the Adamstown community, Jessica previously served on Borough Council and as Chairperson of the Recreation Committee. She knows the pool well and is genuinely excited to be part of the team that keeps it running for our families and neighbors this summer.

IN THE KNOW

SNACKTOPIA 2026

We are delighted to be the vendors of the snack shack at the Adamstown pool for the 2026 season! You can follow us on Facebook for specials and photos at "Snacktopia". This year will bring several new exciting items, including specials every day of the week, gluten-free and dairy free options, traditional delicious favorites, a wide variety of smoothies and sweet treats, bubble tea, and more!

We look forward to meeting you all and providing you with excellent food at an excellent price! So when you're planning your trip to the pool, make sure you save an appetite for the scrumptious selections on our large menu!

Just a few of the many delicious items we will be offering:

Adamstown Borough

MUNI-LINK

IMPROVED W/S BILLING & NEWSLETTERS!!!

Look for changes with your next quarterly water/sewer bills! We will be switching to a new company, Muni-Link, and bills will be printed on a bright orange 1/4 page postcard. The new billing system will allow a more user-friendly online portal for paying bills and reviewing accounts! We will also be introducing a new glossy pamphlet-style biannual newsletter for our borough residents. The new style newsletters will contain tons of useful information regarding local news, upcoming events, general information, and local business ads.

UPGRADES TO RECREATION AREA AT THE POOL

You may have noticed a lot of activity taking place at the tennis court area the past few months! With the addition of new pickleball courts, new pathways have been constructed and much-needed lighting has been installed. There are timed lights that are available for use two hours before sun up and as late as 10PM, which will allow for extended play! The tennis, pickleball and basketball courts are being resurfaced/repainted as well.

2025 ANNUAL WATER QUALITY REPORT

Be on the lookout for the Annual Water Quality Report, which will be posted on our borough website as well as on our borough office bulletin board!

Adamstown Area Library
educate • engage • empower

New Library Hours:
New hours, same great library!!!
Mon—Thur 9AM-7PM, Friday 11AM-4PM
Saturday 9AM-4PM Sunday CLOSED

LEGO Dino Habitat Build Off—Tuesday, May 12, 5:30PM
Bring your team of 2-5 family members or friends to compete in building a themed LEGO habitat for a dinosaur you'll find hiding in the stacks! Paid for with the Remake Learning Days Award and a special thanks to Rich & Linda Schamus from the Little Brick Gallery for their contributions. For all ages!

Baby Goat Storytime—Thursday, May 28, 10:30-11:30AM
Adamstown Area Library will host a special visit from two baby goats! Come pet the goats and learn more about these adorable creatures. For all ages!

Tips for First –Time Home Buyers—Thursday, June 4, 4-6PM
Learn tips for securing financing, defining must-haves versus nice-to-haves, and navigating the short-term home search process. This program is presented in partnership with the Peter Heim Team at Keller Williams Platinum.

Paleontologist Expedition—Monday, June 22, 10AM St. Paul's Lutheran Church
Explore the science of dinosaurs with local paleontologists, the Sratkas. Learn what paleontologists do, see a real Albertosaurus skull, and dig up real Triceratops bones! Sponsored by the CAP STEM Connections Grant. For all ages!

Cupcake Wars—Wednesday, June 24, 5-6PM
Grab a partner and put your cupcake decorating skills to the test! Teams of two will go head-to-head in a cupcake decorating showdown to see who could create the most deliciously creative design. Registration is required for this event. For ages 16 and up.

Protect our watershed

Did you know that if you'd like to attract butterflies to your yard, you could enhance your landscaping with flowers or a rain garden? This will also help to reduce the amount of time it takes to mow the lawn. Planting trees on your property can help cut down on air conditioning costs. And if you have outdoor water needs (for a vegetable garden, to water your lawn or to wash your car), consider a rain barrel. All of these things will also help to protect our watershed at the same time!
